

Gosforth Lawn Tennis Club

New club kit:

We now have a new system and supplier for ordering club kit. GLTC kit can now be ordered directly from Sports and Workwear and will no longer be done through the committee. This means that kit can be ordered whenever you want it!

Hoodies and t-shirts are available in adult and children sizes in purple, white and black, with the original logo design used on the previous kit.

If you would like to view and order the kit please follow the link below:

The website includes details of sizes and prices and example images of each colour (simply click on the item and then select a colour from the side box to view each image).
